

GREEN WORLD AFRICA

People-oriented and Honesty First

Kuding Plus Tea

Health Benefits:

1. Alleviate inflammation
2. Help detoxification
3. Enhance immunity and prevent cold and flu
4. Lower blood lipid and pressure levels

Suitable for:

People with elevated blood blood lipid or blood pressure levels

People with sore throat or headache

People who are prone to cold or flu

1-3 sachet(s) each day

Breast Care Tea

Health Benefits:

1. Adjust endocrine system
2. Dissipate blood stasis & clear the dampness, the two main causes of breast lumps and cancer

Suitable for:

Prevention of breast disorders

Females with breast hyperplasia

Females with benign or malignant breast tumor

1-2 sachet(s) each day

Clear Lung Tea

Health Benefits:

1. Help expel the harmful substances together with the sputum from the lungs
2. Enhance immunity in lung
3. Improve respiratory functions

Suitable for:

People who smoke

People who work or live in air-polluted places such as by smoke or dust

People with chronic respiratory diseases such as chronic cough, bronchitis, asthma, emphysema

1-2 sachet(s) each day

In-Cleansing Tea

Health Benefits:

1. Lubricate the intestinal wall
2. Improve constipation
3. Help defecation & colon detoxification

Suitable for:

People with constipation

People who need colon detoxification

1-2 sachet(s) each day

Balsam Pear Tea

Health Benefits:

1. Contain “plant insulin” that reduces blood sugar levels
2. Increase insulin receptors respond to such hormone
3. Alleviate complications of diabetes

Suitable for:

People with elevated blood sugar levels or with type 2 diabetes

1 sachet each day

Pine Pollen Tea

Health Benefits:

1. Improve immunity – for people with compromised immunity and chronic fatigue
2. Contain powerful phyto-androgens which promote hormonal health, both in men and women

Suitable for:

All age groups

1-2 sachet(s) each day

Pro-Slim Tea

Health Benefits:

1. Restrict absorption of the fat from the diet in small intestine
2. Accelerate the break-down of fat and reduce fat deposit

Suitable for:

People who want to control body weight
People who are overweight or obese
1-2 sachet(s) each day

Health Benefits:

1. Improve fat metabolism by burning fat to produce energy
2. Prevent diseases caused by lipid metabolic disorders like coronary artery disease, fatty liver and diabetes

Suitable for:

People with elevated blood lipid levels

People who are overweight or obese

People with fatty liver, coronary heart disease or diabetes

1-2 sachet(s) each time, 2-3 times in a day

Lipid Care Tea

Jinpure Tea

Health Benefits:

1. Inhibit viral and bacterial replication in the upper respiratory system
2. Improve pulmonary ventilation and sputum excretion
3. Clear the pathogenic heat in upper respiratory system
4. For prevention of flu or cold in adults

Suitable for:

Adults who want to prevent cold, flu or COVID-19

People who wish to build a healthy immunity

1-2 sachet(s) each day

Energy Tea

Health Benefits:

1. Help relieve chronic fatigue
2. Help enhance immunity
3. Refreshes the brain and revitalizes energy

Suitable for:

People who intend to maintain stamina

People who want to improve immunity

1-2 sachet(s) each day

Energy Drink

Health Benefits:

1. Supplements loss of vitamins & minerals after workout
2. Relieves the tiredness after workout
3. Improves muscle recovery & growth
4. Strengthens immune system
5. Increases metabolism rate & improves energy level

Suitable for:

People who want to keep beauty & youth

People who want to prevent & improve high blood pressure, lipid and sugar levels

1-2 sachet(s) each day

Wake JQQ Fresh Drink

Health Benefits:

- 1.Helps alcohol convert to acetate through increasing the secretion of enzymes involved in such process in the liver.
- 2.Supplements liver cells with vitamins needed for metabolism of alcohol.
- 3.Rich in antioxidants that counteract free radicals in liver during metabolism process.
- 4.Reduces the damage to the liver cells caused by alcohol and other toxins.

Suitable for :

For those who drink excessively

For those who are on medication for prolonged time

For those who eat junk food frequently or live in a polluted environment

1-2 sachet(s) each day

Clear CJJ Fresh Drink

Health Benefits:

1. Moisturizes intestinal wall and improves intestinal peristalsis and cerebrovascular diseases, diabetes
2. Builds healthy intestinal flora (a balance between beneficial bacteria & harmful bacteria)
3. Reduces the production of toxins & promotes toxins excretion
4. Builds the 1st line of immune defense in gut

Suitable for:

For those who have constipation

For those who have imbalanced intestinal flora

For those who have colorectal diseases

For those who are overloaded with toxins

1-2 sachet(s) each day

Ganoderma Coffee

Health Benefits:

1. Enhances immunity and combats cancer cell proliferation
2. Protects the cellular components against oxidative damage
3. Inhibits viral and bacterial multiplication without affecting normal cells
4. Protects the liver against damage by toxins
5. Promotes longevity

Suitable for:

- People who need to refresh or revitalize
- People who need to control body weight
- People who with chronic fatigue

1-2 sachet(s) each day

Blueberry Milk Tea

Health Benefits:

1. Protect eyesight
2. Antioxidant
3. Anti-inflammatory

Suitable for:

Menopausal or post-menopausal women

People who are on diet

1-2 sachet(s) each day

Put 1 bag of powder and mix it with 150 ml of hot water.

Compound Marrow Powder

Health Benefits:

1. Provides calcium and phosphorus for building of the bones
2. Provides iron and vitamins for synthesis of hemoglobin
3. Preventing and improving anemi
4. Provides proteins and essential fatty acids
5. Taurine potentially protects retina and brain against free radical damage
6. Accelerates fracture healing

Suitable for:

For the elderly, and those who are physically unfit or in convalescence

For those with calcium deficiency and osteoporosis

1-2 sachet(s) each day

Blueberry Super Nutrition

Health Benefits:

1. Green World Super Nutrition provides us a cocktail of nutrients such as antioxidants, proteins, carbohydrates, vitamins, minerals and dietary fibers. As the key ingredient, low-temperature permeability technique is adopted to ensure the bioavailability of the anthocyanins in the blueberry extract.

Recommended Use:

- It is recommended to people with malnutrition, compromised immunity, or those at sub-health status.
 - Mix 1 bag of Blueberry Super Nutrition with water, juice, milk, yoghurt or breakfast cereal. Take 1-2 bags in a day.
-

Blueberry Juice High VC

Health Benefits:

1. A well-blended berry cocktail as the most powerful natural antioxidant against diseases induced by oxidative damage, such as heart diseases, forgetfulness and memory loss, diabetes, and cancer.
2. A tasty drink that enriches your daily anti-aging strategies

Suitable for:

People who want to keep beauty & youth

People who want to improve immunity

1-2 sachet(s) each day

BLUEBERRY SLIMMING BODY HEALTHY SHAKE MIX

Health Benefits:

1. Slow the emptying of stomach & give sense of fullness
2. A meal replacement reducing the calories intake
3. Reduce the absorption of cholesterol & absorption of fatty acids from diet
4. Accelerate digestion & metabolism

Suitable for:

People who want to keep beauty & youth

People who want to lose weight

1-2 sachet(s) each day

Protein Powder

Health Benefits:

1. Provides 9 essential amino acids to human body
2. Free of cholesterol, hormones, and antibodies, which are generally found in animal proteins
3. With high solubility and absorbability

Suitable for:

For those who require sufficient protein intake, such as children, adolescence, pregnant women, and the elderly

For those who are physically unfit or at convalescence

1-2 tablespoons each time, 1-2 times in a day

Cordyceps Plus Capsule

Health Benefits:

1. Balances the overactive immune system in those with allergies and autoimmune diseases
2. Enhances the weakened immune system in those with chronic infections and HIV/AIDS
3. An alternative herbal remedy for chronic respiratory and renal diseases
4. Increases body's tolerance against anoxia, high-intensity exercise and stress

Suitable for:

For those with chronic fatigue For those with compromised immunity or in sub-health status

For those with cancers For those with chronic respiratory or renal diseases

1-2 capsules each time, 1-2 times in a day

Propolis Plus Capsule

Health Benefits:

1. A natural antifungal and antivirus product
2. Enhances immunity

Suitable for:

For people with compromised immunity, or those who are physically weak or prone to cold or flu.

For those with chronic infections (bacterial, fungal or viral infection)

1-2 capsules each time, 1-2 times in a day

Ganoderma Plus Capsule

Health Benefits:

- 1.Regulates immunity
- 2.Reduces adverse effect caused by chemotherapy and radiotherapy (for example, vomiting, pain, decrease of white blood cells, the loss of hair, fatigue, etc.); speeds up recovery after chemotherapy and radiotherapy
- 3.With hepatoprotective properties, it reduces the SGOT and SGPT (liver enzymes clinically indicate liver disorders and impairment of liver function)

Suitable for:

For those who has just completed chemo-or radio-therapy

For those with chronic liver diseases

For those with compromised immunity

1-2 capsules each time, 1-2 times a day.

Danshen Combo (Cardio)Capsule

Health Benefits:

1. Lowers blood lipid and viscosity; reduces platelet aggregation and the risk of atherosclerosis
2. Dilates arteries which supply blood to the brain and heart, increases coronary blood flow, improves blood supply to brain and heart
3. Dilates coronary artery, can be used for alleviating symptoms of angina pectoris

Suitable for:

For adults who have cardiovascular disease, hypertension, or high blood lipid.

1-2 capsules each time, 1-2 times in a day

A-Power Capsule

Health Benefits:

1. Boosts immunity through improving both humoral and cellular immune system
2. Prevents and assists the treatment of cancer when used in combination with anti-cancer medications

Suitable for:

For people with compromised immunity, immune disorders or HIV/AIDS

1-2 capsules each time, 1-2 times in a day

Vigpower Capsule

Health Benefits:

1. Conserves the vital power and strengthens sexuality through replenishing kidney.
2. Improves sexual dysfunctions in men

Suitable for:

For men who intend to improve sexuality

For men with sexual dysfunction such as premature ejaculation, erectile dysfunction or frequent spermatorrhea

1 capsules 30 minutes before intercourse

Spirulina Plus Capsule

Health Benefits:

1. Balances nutrient intake
2. Protects gastric mucosa
3. Adjusts immune system
4. Reduces the harmful effects of electromagnetic radiation

Suitable for:

For those with unbalanced diet

For those with gastrointestinal disorders

For those with cancer, especially after radio or chemotherapy

1-3 capsules each time, 1-2 times in a day

Ginseng RHs Capsule

Health Benefits:

1. A natural remedy that can be used in adjunction with anti-cancer medications
2. Increases white blood cells count; highly beneficial for patients who receive chemo therapy or radiotherapy
3. Promotes wound healing and speeds up convalescence

Suitable for:

For those who suffer from chronic respiratory diseases or chronic fatigue

For those who have compromised immunity

1-2 capsules each time, 1-3 times in a day

Soy Power capsule

Health Benefits:

1. Prevent the decline of ovary's function
2. Reduce the loss of bone density, prevent osteoporosis
3. Prevent atherosclerosis and cardiovascular disease
4. Prevent breast cancer
5. Improve memory, prevent dementia
6. Nourishes skin and makes skin smooth and elastic

Suitable for:

For women with insomnia, dreaminess, and mood swings

For women with decreased estrogen and those in peri- or post menopause

For preventing infertility, breast hyperplasia, breast cancer or osteoporosis

For women who want to improve their skin condition or quality of sexual life
Females with post menopausal syndrome

1-2 capsules each time, 1-2 times in a day

Beta-Carotene and Lycopene Capsule

Health Benefits:

1. Supplements body with Vitamin A
2. Reduces risks of eye disorders such as age-related macular degeneration (AMD), age-related maculopathy (ARM), cataracts, and night blindness
3. Serves as a strong antioxidant which deactivates free radicals
4. Helps improve prostate disorders including benign prostatic hyperplasia
5. Prevents cancer, especially prostate cancer

Suitable for:

Teenagers and adults with vitamin A deficiency

People who intend to prevent eye disorders caused by free radical attacks

Males with prostate disorders such as prostatitis, benign prostatic hyperplasia (prostate enlargement), and prostate cancer

2 capsules each time, 2 times in a day

Calcium Capsule Adults/children

Health Benefits:

- 1.Prevents calcium deficiency
- 2.Strengthens the bones and prevents bone disease

Suitable for:

For all age group, especially adolescence, postmenopausal women and the elderly who need higher calcium intake

1-2 capsules each time, once in a day

Zinc Tablet (For Adults)
Zinc Tablet (For Children)

Health Benefits:

1. Prevents zinc-deficiency
2. An essential trace element involved in hundreds of chemical reactions in human body, which is important for immune function, acid-base balance, digestion, growth and development, skin and hair health, and genetic transcription
3. A powerful antioxidant

Suitable for:

For all age group with insufficient daily intake of zinc

For people with digestive problems.

For those who smoke or drink excessively

For vegetarians.

2 tablets in a day

Multi-Vitamins Tablet For Adults/Children

Health Benefits:

1. Supplements the body with fat soluble vitamins (A,D, E and K) and water soluble vitamins (B Complex and C).
2. Prevents and improves vitamin deficiencies

Suitable for:

For all age group

1-2 tablets per day

Vitamin C Tablet

Health Benefits:

1. Supplements vitamin C to human body and prevents vitamin C deficiency
2. Supports immune system
3. A powerful water soluble antioxidant
4. Critical in forming collagen to improve firmness of skin

Suitable for:

For all age groups

For adults: 2 tablets each time, once in a day

For children: 1 tablet each time, once in a day

Garlic Oil Capsule

Health Benefits:

1. It has anti-microbial properties, thus inhibiting the growth of pathogenic bacteria
2. An antioxidant that neutralizes the free radicals
3. Lowers total cholesterol, LDL, and triglycerides, and increases HDL cholesterol thus preventing cardiovascular or cerebrovascular diseases

Suitable for:

For those with hypertension, hyperlipidemia, and hyperglycemia
For those with cerebrovascular or cardiovascular diseases

For those with gastritis, diarrhea, or digestive tract infection

For those with chronic respiratory diseases like chronic bronchitis

1-2 capsules each time, 2 times in a day

Chitosan Capsule

Health Benefits:

1. Reduces blood lipid level, helps weight loss
2. Reduces blood sugar level
3. Strengthens the function of liver, prevents liver from damage of toxins
4. Promotes healing of gastric ulcers

Suitable for:

For those on weight control program

For those with elevated blood lipid and blood glucose levels

For those with chronic hepatitis and liver cirrhosis

For those with cancers

2 capsules each time, 2 times in a day.

Take two hours before or after taking other medications or natural health products .Drink adequate amount of wate

Lecithin Capsule

Health Benefits:

1. An essential constituent for cell membranes
2. Strengthens the nerve system and nourishes the brain
3. Lowers blood lipid level
4. Protects liver and enhances liver function

Suitable for:

For those with high blood pressure, high blood lipid, and high blood sugar

For those who intend to prevent cerebro- or cardiovascular diseases

For those who intend to improve memory or prevent senile dementia

For those who drink excessively or have liver dysfunction

For those with rough skin, cloasma, or age spots

1-2 capsules in a day

Deep Sea Fish Oil Capsule

Health Benefits:

1. Provides EPA and DHA, the two major omega-3 fatty acids, polyunsaturated fatty acids and vitamin E
2. Improves brain functions
3. Improves blood lipid index
4. Reduces platelet coagulation and the risks of atherosclerosis and heart attack

Suitable for:

For those with hypertension, hyperlipidemia, and hyperglycemia

For those with cerebro or cardiovascular diseases

For those with memory loss or senile dementia

1-2 capsules in a day

Ginkgo Biloba Capsule

Health Benefits:

1. Scavenges free radicals and counteracts age-related damages to organs and tissues
2. Increases oxygen supply to brain tissue thus enhancing memory
3. Prevents age-related macular degeneration
4. Prevents or relieves symptoms of intermittent claudication

Suitable for:

For those who have high blood pressure, high blood lipid and high blood viscosity

For prevention of age-related diseases and delaying senility

2 capsules each time, once in a day

Aloe Vera Plus Capsule

Health Benefits:

- 1.Improves bowel movement, accelerates toxin excretion
- 2.Alleviates inflammatory signs and symptoms
- 3.Eases pain and expels the internal heat of human body

Suitable for:

For detoxification

For adults with constipation, chronic diarrhea or infections

2 capsules each time, once daily

Vitamin E Capsule

Health Benefits:

1. It supplements daily vitamin E intake.
2. A powerful fat soluble antioxidant
3. Maintains reproductive function and hormonal balance
4. Alleviates premenstrual syndrome and menopausal syndrome
5. Vital for proper immune function, DNA repair and metabolic processes
6. Essential for healthy skin, mucous membranes and proper vision

Suitable for:

For all age groups, especially the elderly with degenerative diseases

Each capsule provides 50 IU of vitamin E

1-2 capsules each time, once in a day.

Arthropower Capsule

Health Benefits:

1. Alleviates the pain, swelling and stiffness of the joints
2. Helps joint cartilage repair and rebuild.

Suitable for:

For those who have joint injury

For those who have degenerative joint diseases such as osteoarthritis

2 capsules each time, twice in a day, preferably with a meal

Anxiety & Stress Relief Capsule

Health Benefits:

1. It improves your quality of sleep
2. It helps with cognitive function.
3. It's a brain tonic that improves neurodegenerative diseases

Suitable for:

Individuals with insomnia or poor quality of sleep

Individuals with anxiety or depression

Individuals who are under stress

Individuals who intend to improve cognitive functions

Individuals who intend to improve mood

Individuals after 60 who intend to prevent neurodegenerative diseases.

2 capsules each time; take 30 minutes before going to bed

Kidney Tonifying Capsule (Men)

Health Benefits:

1. Improves “kidney fatigue” which demonstrates in leg and lumbar pain, insomnia, forgetfulness, listlessness, lowered libido or sexual dysfunction
2. Invigorates kidney functions.
3. Improves impotence in men

Suitable for:

For men who is middle-aged or elderly.

For men with leg and lumbar pain or lowered libido

4 capsules each time, 1-3 times in a day

Kidney Tonifying Capsule (Women)

Health Benefits:

1. Invigorates kidney functions
2. Prevents and alleviates certain female chronic infections such as cystitis or urethritis.
3. Improves infertility of women.
4. Regulates ovaries functioning to balance female hormones.

Suitable for:

For women with irregular menstruation.

For women with compromised intercourse.

For peri- or postmenopausal women. For women with pain in legs and waist or fatigue.

4 capsules each time, 1-3 times in a day.

Slimming Capsule

Health Benefits:

1. Accelerates metabolism rate and breakdown of fat.
2. Decreases the intake of calories by suppressing appetite

Suitable for:

For those on weight control program.

For those with elevated blood lipid.

For those with obesity.

1-2 capsules each time, once in a day. Take after breakfast.

Parashield Capsule

Health Benefits:

1. Expels and kills common intestinal parasites
2. Prevents parasitic diseases.

Suitable for:

For children with malnutrition, retarded growth, poor appetite, and periumbilical pain.

For adults whose food or water is infested by parasites such as round worms, hook worms, whip worms, pin worms and amoeba

2-3 capsules each time, twice in a day. Take before meals

Royal Jelly Capsule

Health Benefits:

1. Improves female fertility.
2. Strengthens immunity.
3. Improves insulin resistance.
4. Stimulates the production of collagen and improves firmness, smoothness, radiance and elasticity of the skin

Suitable for:

For those who are physically weak, with compromised immunity.

For women with decreased estrogen and those in peri- or post menopause.

For those with elevated blood sugar level.

For women who want to have a firm and healthy skin.

1-2 capsules each time, 2 times in a day.

Super CoQ-10 Capsule

Health Benefits:

1. Prevents and alleviates coronary heart disease
2. A powerful antioxidant that prevents and improves degenerative cardiovascular diseases.
3. Strengthens immunity

Suitable for:

For adults who need special care for their heart.

For adults who have congestive heart failure, angina pectoris, COPD (Chronic Obstructive Pulmonary Diseases).

For people who have chronic fatigue.

2 capsules each time, once in a day.

**Grape Seed Extract Plus
Capsule (OPC)**

Health Benefits:

1. Contains an abundant amount of antioxidants such as polyphenols, proanthocyanidins and stilbene from oligomers-OPC (Oligomeric Proanthocyanidins Complexes).
2. Counteracts free radicals causing oxidative stress and related diseases.

Suitable for:

For those who need antioxidant protection to delay aging process.

For those who need to prevent damage of retina by UV rays caused by prolonged outdoor activities or work

2 capsules each time, 1-2 times in a day.

Gastric Health Tablet

Health Benefits:

1. Improves gastrointestinal peristalsis
2. Improves the gastric secretion and activity of pepsin
3. Increases the total acidity and total output of gastric juice
4. Improves nutrients absorption in small intestine

Suitable for:

For those who have dyspepsia or poor appetite

For heavy drinkers or those on medication for long

For those who have chronic gastric disorders

2 tablets each time, twice in a day. Preferably chew the tablets

HepatSure Capsule

Health Benefits:

1. Repairs damaged liver cells.
2. Adjusts liver fat metabolism.
3. Prevents hepatic fibrosis and liver cirrhosis.
4. Helps with detoxification.

Suitable for:

For those with liver diseases such as fatty liver, chronic hepatitis, liver cirrhosis.

For those with gall bladder diseases such as chronic cholecystitis and gallstone.

For those who drink excessively.

For those who stay up late regularly.

2 capsules each time, 2 times in a day.

Glucoblock Capsule

Health Benefits:

1. Improves secretion of insulin by pancreas
2. Lowers blood sugar level by increasing insulin receptors' response to the specific hormone
3. Regulates increment and metabolism of glucose of the body

Suitable for:

For those who have elevated blood sugar level or diabetes

2 capsules each time, once daily

Anti-Aging Capsule

Health Benefits:

The varieties of bioactive plant essence in Green World Blueberry Anti-Aging Capsule participates the cell metabolism. Aging is closely related to the DNA self-repairing ability and metabolism of the cells as well as the antioxidant levels in human body. The plant essence in this product regulate metabolism, enhance immunity, improve the self-healing of tissues and counteract the free radicals causing the damage of tissues, therefore, delay aging process.

Suitable for:

For adults, especially the elderly or those in poor health condition.
For those with compromised immunity or weaker physique.

2 capsules each time, once in a day.

Anti-addiction Capsule

Health Benefits:

- 1.Regulate the central nerve system, calm nerves, eases pain, resists convulsion
- 2.Expel toxins, improve the function of spleen and stomach, enhance the immunity and anti-fatigue
- 3.This product relieves and helps treat complications during drug rehabilitation

Suitable for:

For those who drink excessively

For those who are on medication for prolonged time

1-2 capsules twice daily

Jinpure Capsule

Health Benefits:

1. Inhibit viral and bacterial replication in the upper respiratory system
2. Improve pulmonary ventilation and sputum excretion
3. Clear the pathogenic heat in upper respiratory system
4. For prevention of flu or cold in adults

Suitable for:

Adults who want to prevent cold, flu or COVID-19

People who wish to build a healthy immunity

2 capsules each time, twice in a day

Ovary Nutrition Capsule

Health Benefits:

1. Helps with common female disorders related to female hormone imbalance include PMS, postmenopausal syndrome and premature ovary aging etc.

Suitable for:

For women who want to improve their skin condition or quality of sexual life Females with post menopausal syndrome

Take 1-2 capsules each time and 1-2 times each day

Not for pregnant women, breast feeding mothers and people who are allergic to the ingredients

Prostacare Capsule

Health Benefits:

1. Restrains growth of pathogenic microorganism in the prostate
2. Prevents and improves prostate disorders
3. Alleviates signs and symptoms of prostate disorders

Suitable for:

For men who is middle-aged or elderly.

For men with symptoms of prostate disorders such as frequent, urgent, difficult or painful urination.

2 capsules each time, 2 times in a day.

Eye Care Softgel II

Health Benefits:

- 1.Helps relieve eyestrain
- 2.Improves night vision.
- 3.Protects eyes from the damage of harmful UV rays
- 4.Prevents other eye disorders.

Suitable for:

For those who have eyesight disorders
2 capsules each time, twice in a day.

Blueberry Enzymes Tablet

Health Benefits:

1. Helps relieve eyestrain
2. Improves night vision.
3. Improve indigestion symptoms
- 4.Helps balance Intestinal Flora

Suitable for:

People with pseudo myopia

people use eyes intensively,such as students,office staff

People rely on good night vision,such as drivers,pilots or sailors

2 tablets, 3 times a day

COMPOUND CALCIUM Nutrient Powder Adults/Children

Health Benefits:

1. Supplement calcium
2. Prevent & alleviate osteoporosis.
3. Increase bone density & improve bone remodeling.
4. Improve joint health
5. Support growth & development of children

Suitable for:

Adults with calcium deficiency

Women who want to prevent osteoporosis and/or arthritis

Men who want to strengthen bones & joints

Adults with joint disorders

Pregnant women & nursing mothers

Women after menopause

Men after 60 , Children, Adolescents

1-2 sachet(s) each day

Uterus Cleansing Pills

Health Benefits:

1. **Cleanse:** It kills & inhibits growth of the pathogenic microorganisms causing gynecological disorders like vaginitis, cervical erosion, & pelvic inflammatory disease.
2. **Alleviate chronic inflammation:** Chronic inflammation induces tissue hyperplasia, in turn, increases the risk of cancerization. By alleviating chronic inflammation, it reduces risks of endometrial cancer and cervical cancer.
3. **Regulate menstruation:** Relieves painful cramps, heavy bleeding, absence of menstruation, light or infrequent menstruation, and Premenstrual Syndrome.
